

IRISH CENTRE FOR BUSINESS EXCELLENCE

The Irish Centre for Business Excellence is delighted to continue the very popular series of webinars in association with Harvard Business Review press with world renowned experts and authors speaking on the most pressing challenges and opportunities organisations are facing today. This series will bring you global expertise on leadership imperatives for transformation in this digital era, Competing in the New World of Work and the Upside of Uncertainty.

Member rate: €75 (non-member €95) per session. Book all 3 sessions for €180pp, (non-member rate €228pp).

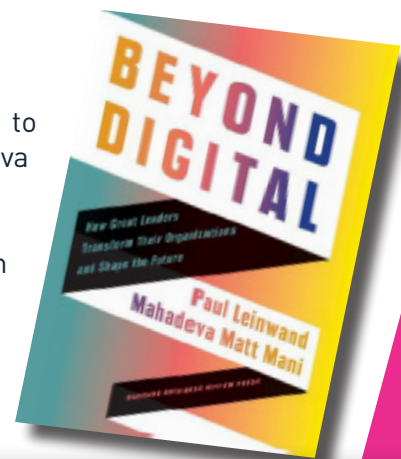

MAHADEVA MATT MANI
BEYOND DIGITAL
—The leadership imperatives for transforming companies in the new digital era

Wednesday September 28th
9.00am – 10.00am

Beyond Digital outlines seven imperatives for leaders to follow as the digital age continues to evolve and Mahadeva Matt Mani joins us to present the book's key insights.

Mahadeva Matt Mani is an adviser to executives on organization cost and productivity transformation for Strategy& and one of the global leaders of PwC's Fit for Growth performance platform.

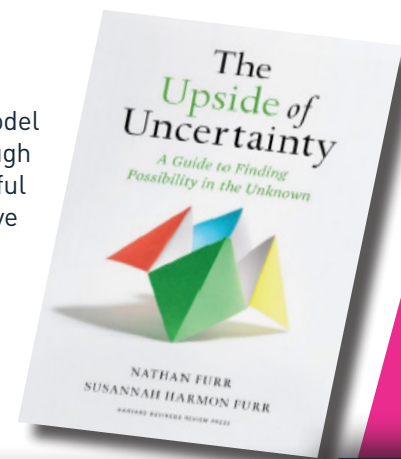

NATHAN FURR
THE UPSIDE OF UNCERTAINTY –
A Guide to Finding Possibility in the Unknown

????????
1.00 pm – 2.00pm.

In this webinar Nathan presents the thinking behind their model for "finding possibility in the unknown" and will walk us through some of the practical approaches that have proved most useful in the many innovation workshops and engagements they have led, helping people turn uncertainty into a force for good.

Nathan Furr is a professor of strategy and innovation at INSEAD in Paris and an expert in innovation and technology strategy. He is widely published and works with leading companies including Google, Microsoft, Citi, ING, and Philips.

KIAN GOHAR
